Specifications and Requirements

Any deviation from the specifications and requirements, will require utilizing the Pre-bid Request for Substitutions form, found in the Buyer Attachments section of this bid. Follow the instructions on the form.

Approved Brands

Any manufacturers' names, trade names, brand names, or catalog numbers used in the specification are for establishing and describing general performance and quality levels. The references are not intended to be restrictive, and bids are invited on these and comparable brands or products of any manufacturer. Responders must include alternate brand specifications for purposes of comparison to approved brands based on the same or higher level of performance.

Award - Cost and Other Factors

It is the intent of the Iowa DOT to award the contract to the responsible bidder whose submission is the most advantageous to the Iowa DOT, cost and other factors considered. Other factors include, but are not limited to: meeting or exceeding mandatory requirements, proposed staffing, and meeting required time schedule. Other factors may also include a comprehensive review of bidders past work performance, and work capacity.

Purchase Orders

A purchase order will be issued for the item upon solicitation award.

Notification of Intent to Award

After responses are evaluated, a Notification of Intent to Award (NOIA) and bid tabulation will be posted publicly on the [IMPACS Business Opportunities](#) site.

Communication

Until a contract is awarded, the sole point of contact for this bid opportunity will be the Purchasing Agent listed in the event. All questions must be directed solely to the Purchasing Agent and will not be accepted after the Q&A Submissions Close Date. Bidders are strongly encouraged to submit all questions through the Q&A Board. Responses to questions will be posted on the Q&A Board.
